Many thanks!

The Dixie Grammar School Association holds an annual reunion, usually on the first Saturday in October for all former pupils of the School. Around 200 gather in the School Hall to renew old acquaintanceships and reminisce.

After the traditional Founder's Day Service of Thanksgiving in St. Peter's Church, Market Bosworth, a buffet lunch and some "liquid refreshment" follows. Then short speeches from the Chairman and the current Headmaster inform members of activities over the past twelve months.

This is followed by conducted tours of the School, tea and biscuits and a final chat. It's a warm and welcoming occasion and we all look forward to meeting you on your first attendance.

On behalf of the Organising Committee.
